

This is a detailed architectural floor plan of a large, multi-story building. The plan is oriented with a grid system where letters A through J are placed vertically along the top and bottom edges, and numbers 1 through 10 are placed horizontally along the left and right edges. The building's layout is complex, featuring numerous rooms, corridors, and service areas. Key areas are labeled with text in Polish, such as 'Kuchnia' (Kitchen), 'Salon' (Living Room), 'Biuro' (Office), 'Sala konferencyjna' (Conference Room), 'Sala wykładowa' (Lecture Hall), 'Sala koncertowa' (Concert Hall), 'Sala kinowa' (Cinema Hall), 'Sala widowiskowa' (Performance Hall), 'Sala sportowa' (Sports Hall), 'Sala gimnastyczna' (Gymnasium), 'Sala taneczna' (Dance Hall), 'Sala teatralna' (Theater Hall), 'Sala operowa' (Opera Hall), 'Sala koncertowa' (Concert Hall), 'Sala widowiskowa' (Performance Hall), 'Sala sportowa' (Sports Hall), 'Sala gimnastyczna' (Gymnasium), 'Sala taneczna' (Dance Hall), 'Sala teatralna' (Theater Hall), 'Sala operowa' (Opera Hall). The plan also includes various symbols for doors, windows, stairs, and furniture. A legend in the bottom left corner provides a key for the symbols used in the plan. The overall design is functional and detailed, typical of a professional architectural drawing.

The drawing shows a building complex with several labeled areas: "O 'A' ZŁ CZNIKIEM ETAP 3" (top right), "O 'B' ETAP 2" (center), and "BUDYNEK 'N' ROZŁA ZANEBIEH" (bottom right). A legend on the left lists various symbols and their meanings, including construction details, electrical symbols, and material specifications. Technical specifications on the right detail the building's structure, including floor levels, wall thicknesses, and material types. A table at the bottom left provides contact information for the project owner and the design firm.
